

SWINDON SEND SUMMER ACTIVITIES 2022

ISSUE THREE
SUMMER 2022

Welcome to Issue three of the SEND News Splash

Last year a News Splash special edition containing a programme of summer activities for children, young people and families was published and made available on the Local Offer website. This was so popular that we have decided to make it an annual edition. We have put together a new and improved programme with information including lists of activities, clubs and resources available to children, young people and families in summer 2022.

Please enjoy.

ACTIVE & INCLUSIVE SWINDON

Active and Inclusive Swindon offer community based activities aimed at making being active easy and fun. The programmes are designed to be inclusive and accessible to all.

Their website compiles up to date lists of all inclusive and disability physical activity sessions in Swindon.
